DISCUSSION QUESTIONS

1. In what ways can you be prepared and present before, during and following a sacrament-filled worship experience? What would change if you were more intentional about this practice?
2. How would you explain the ordinary turned extraordinary nature of the sacraments to a child? What words, pictures, songs or images would you utilize to help them understand?
3. Do you regularly participate in a sabbath-keeping period of time wherein you allow God to place you beside still waters? How could regular sabbath-keeping allow you to live sacramentally in your everyday life?
4. Consider the rhythm of your moments and your days. How could you incorporate mindfulness and intentional practices into your everyday life?
5. In what ways could living sacramentally (mindful, aware, intentional) impact your connection with God? In what ways could living sacramentally proclaim the gospel of Jesus Christ to others through both your words and your actions?
